FROM THE PRESIDENT

DICK SCHULZE, AA6DL.

THE FALL AUCTION will be held at the September 16, 1994, general membership meeting under the direction of DENNIS FULLER, KC6QHH. Doors open 6:00 P.M.; auction starts at 7:00 P.M.

THE FALL CLASSES start September 13, 1994, under the direction of JIM WALLACE, WB6LQG. Classes are from 7:00 PM to 9:00 P.M. in room 403, Pleasant Hill Adult Center, 3100 Oak Park Blvd., Pleasant Hill, and cover Novice, Technician, General and, if enough interest, Advanced and Extra. Call Jim at 778-6763 for further information.

CHRISTMAS PARTY will be on Wednesday, December 14th, at ZIO FRAEDO'S restaurant on Gregory Lane, Pleasant Hill. See elsewhere in Carrier for details.

IF YOU HAVEN'T NOTICED, we will be hosting PACIFICON '94 on October 21, 22, and 23 at the Concord Hilton. Consider bringing a friend. It is a pretty cheap date at only \$3.00 a person.

MDARC AND RRRG ELECTIONS

Don't forget that the nomination process for 1995 MDARC and RRRG officers is underway. Now is the time to step forward, get involved, and make change toward a stronger, growing and more proactive organization for the future. WE NEED YOU!

FAME AND FORTUNE???

How do you get articles in the CARRIER? It is simple! Just send your work preferably by packet, BBS or floppy computer disc, to the Editor, KC6SLE and you may earn fame and fortune by being published! It is our members, like you, who make this paper what it is. We don't have an editorial staff nor an obituary writer. So if you have something you want to say, or you want to remember a HAM who has become a

silent key, pick up paper and pen, computer and floppy or pick up the telephone. Become part of the written record of MDARC. Write for the CARRIER.

NEW NET FOR YOUNG HAMs

THURSDAYS, 7:00 - 7:30 PM, 147.060

RPTR.

John Stuart, KM6QX

Permission was granted by the Rocky Ridge Repeater Group for a Youth Net to be held on the 147.060 repeater during the half hour preceding the weekly MDARC net. This Net and time slot was proposed by John Stuart, KM6QX, to give our young HAMs an opportunity to exercise their radio skills during a time when many of us older-folks are checking-in on RACES nets. Then at 7:30 PM it will be convenient for them to monitor Club announcements at the beginning of the MDARC Net. John will provide any needed guidance to help the kids organize and conduct their own weekly net.

It would appear very simple for the Treasurer to keep an updated list of the Club's assets and noting the custodian for

FALL AUCTION

by Dennis Fuller, KC6QHH

The MDARC fall auction will be held at Our Savior Lutheran Church, 1035 Carol Lane, Lafayette. The auction will start at promptly at 7:00 PM and end at 10:00 PM. Set up time for sellers only begins at 6:00 PM.

This is the second and last Auction of the year. Let's make it the best and biggest Club event of the year (not counting PACIFICON of course). You can participate by donating equipment to the Club, bringing equipment for sale to the auction, attending the auction, purchasing vast quantities of equipment at the auction, and by helping with the auction. Call Dennis Fuller at 510-672-7469 or package message at KC6QHH-1, 145.050, for further information.

MOUNT DIABLO AMATEUR RADIO CLUB

General Membership Meeting, August 19, 1994
Richard S. Brown, KT6X. Acting Secretary

The meeting was opened promptly at 8:00 PM by President Richard Schulze, AA6DL. A motion was M, S, & P to approve the minutes of the general meeting of July 15 as published in the Carrier.

Stanford Christian, WU6P, Treasurer, reported the balance of the bank accounts is \$12,770. He noted that the monthly expenses are approximately \$1000.00. He put on his PACIFICON ticket sales hat and encouraged everyone to buy there banquet tickets before they are sold-out.

John Stuart, KM6QX, Vice President reported that although several public service events are coming up soon, most have enough volunteers except for a recently defined Antioch Shore Line Pick Up which needs several operators.

The Membership Chair, George Jones, KI6YK, indicated the membership has 558 living members at this time.

Dick Brown, KT6X, PACIFICON Chair, reported a meeting will be held at 8:00 AM on Saturday, August 20. He reported that the forums and exhibitors are all confirmed. He noted that Division Newsletter copies for not ARRL members are available for anyone visiting clubs are other HAM gatherings to use as PACIFICON publicity.

President Schulze reminded us that two \$1000 scholarships will be given away this year. Brochures can be obtained from Terry Dearborn, W6HPC.

Lauren Styles, WA6CIE, Field Day Chair, indicated that MDARC reported 3298 contacts to ARRL with the 5 transmitter station resulting in 6596 points. Details are available from Lauren.

Following a short break @ 8:18 PM, Dennis Matzen, KA6FUB, spoke on the "Contra Costa Sheriff's 911" system. He provided a concise and clear understanding of the technology involved and answered several thought provoking questions. John Stuart indicated the Club will award Dennis a nice thank you gift for his excellent presentation.

Several outstanding door prizes were awarded and the meeting was closed at 9:46 PM. Attendance at 8:15 PM for the meeting was 113 members and guests.

A REMINDER

The October MDARC meeting will be held on the SECOND Friday of the month, not the third. The meeting will be on OCTOBER 14. PACIFICON '94 starts on OCTOBER 21, the third Friday. Mark your calendar NOW!!

PACIFICON SWAPMEET PROMISES TO BE BEST EVER

Joyce Shappee, KD6PNO

The PACIFICON '94 Swapmeet, to be held on Saturday morning, October 22 at the Willows Shopping Mall, will be a featured part of the PACIFICON weekend. If you can spare a little time to work with the group running the Swapmeet, contact Joyce, KD6PNO at (510) 682-1644. A few more people are needed to help. This could be your big opportunity to be a Mall Cop and bring order to the event. More important, you would be in a position to have first dibs at the goodies that will be there!

Minutes of MDARC Director's Meeting August 22, 1994

Respectfully submitted, Richard M. Shappee, WA5HQJ
Secretary, MDARC

The meeting was called to order at 7:30 PM by President Dick, AA6DL at the home of Secretary Richard, WA5HQJ. The minutes of the last meeting were approved as published in the CARRIER.

Treasurer Stan, WU6P, presented the financial data for the past month and the year to date. It was noted that we were

over budget on Door Prizes and costs for the CARRIER. After a long discussion it was decided that the Prize buyers would be admonished and that the Editor would probably do what he wanted anyway and besides the colored paper looked nice.

VP John, KM6QX presented a letter received from the Marconi Center asking for help with their programs. Secretary Richard was asked to respond and to put an article in the CARRIER about how members could become involved.

Discussion concerning the next Christmas Party was vigorous. We have quotes from several caterers and restaurants. The directors agreed that we not only should get off the paper plates, we should find an environment more festive than the church facilities. Accordingly, Committee Members Dick, AA6DL, and Richard, WA5HQJ, were asked by the board to investigate other possibilities. They were instructed to be sure that families and children would feel welcome. The matter of subsidizing the cost of the meal was discussed and the Director's, exercising their usual fiscal restraint, said that the club would stay within the existing budget for meals, prizes and other costs associated with the Christmas Party.

The meeting adjourned at about 9:00 PM.

MDARC CHRISTMAS PARTY PLANS

Richard Shappee, WA5HQJ

At the request of some of our members, The MDARC Board of Directors has looked into an upgrade of our annual Christmas Party. You may remember that last year the Director's provided hors d'oeuvres as well as non-alcoholic sparkling cider. A Christmas skit was performed by the "PACIFICON Players." In response to the requests of many members of the club, the Christmas Party for 1994 will be even more dramatic and exciting.

After considerable deliberation, the Board first decided that it was time to get 'off the paper plates' and upgrade to china and table linens. A committee was formed to investigate the possibilities of changes in our menu and other options that might meet with the membership's approval. Numerous restaurants and caterers were considered. The committee finally recommended to the Board that the 1994 party be held at Zio Fraedo's Restaurant, 701 Gregory Lane in Pleasant Hill. This will be a fully served affair, (not cafeteria style) and will feature the choice of either turkey or ham. Vegetarian dinners will also be available. In addition to the entree, soup, a garden fresh salad potatoes, a relish tray and vegetables will be included. Bread and rolls, coffee and desert round out the menu. A no-host bar will be open before dinner and members may at their expense order wine for the table. Our party will be held on December 14, with cocktails at 6:00 PM and dinner at 7:00 PM. The room will be decorated for Christmas and it

should be a truly festive affair. The cost to members is modest, just \$10.00 per person with the balance coming from the Christmas Party budget. So be sure to sign up early and let us have a truly great Christmas Party. See you there!

MARCONI CENTER PLANS FOR THE CENTER

Richard Shappee, WA5HQJ

We have received a letter from David Jordan, Development Director for the Marconi Center. The Center, a unit of the State Park System, is chartered to provide awareness and appreciation of the technology of the historic communication facilities. They also have as an objective an enhanced understanding of the development and accomplishments of the various Marconi Companies over the years.

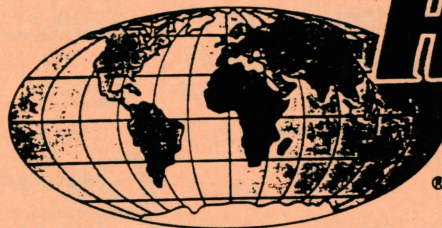

Next year will mark the 100th anniversary of Marconi's wireless transmissions. What would you think of working with the center to do a couple of things such as restoring some of the equipment to museum quality or planning to be part of the celebration of the anniversary? One of the clubs near by has in the past operated a special event station and we would want to cooperate with them. It would be really different if a special event station could be operated using some of the original station equipment.

If you are interested in being an active part of such a program, contact me at (510) 682-1644 or Packet WA5HQJ@KB6AML or direct to my mailbox at 145.05, WA5HQJ-1.
